

Multi-Grade Feed Only Barley Contract

Characteristics

- Feed only contract
- Fixed price for at least feed 1 grade barley
- Bin-Grade based payment
- Multi-Grade (MG) flexibility reduces seasonal risk of grade variations
- Other terms are as per the fact sheet on 'Forward Contracts'

How does the MG Feed Contract work?

The MG Feed Contract gives you the flexibility to deliver multiple feed barley grades onto the same contract. For information on which grades are accepted on the MG Feed Barley Contract or its availability in your selected port zone, please refer to Glencore Grain's daily bid sheet.

Grade spreads

The base grade on the contract is F1. Grade spreads, if applicable will be fixed as per the Glencore Grain's MG Feed Barley spreads current at the time of contracting. Acceptance and pricing of grades not listed on the contract will be at Glencore Grain's discretion.

Multi-Grade Malt and Feed Contract

Characteristics

- Fixed price for Malting and Feed barley
- Bin-Grade based payment
- Must nominate variety at time of contracting
- Multi-Grade (MG) flexibility - reduces seasonal risk of grade variations
- Other terms are as per the fact sheet on 'Forward Contracts'

How does the MG Malt & Feed Contract work?

The MG Malt and Feed Contract gives you the flexibility to deliver malting and feed barley grades onto the same contract. For information on the contract availability and which grade combinations are accepted in your selected port zone, please refer to Glencore Grain's daily bid sheet.

Grade spreads

At the time of contracting you will secure the base Malting 1 and Feed 1 prices on your contract. Grade spreads for any other available grades in your port zone may be negotiated at the time of contracting. Acceptance and pricing of any grades not listed on this contract will be at Glencore Grain's discretion.

Multi-Grade Barley Fixed Feed Contract

Characteristics

- Fixed price for Feed 1. Malt 1 unpriced
- Bin-Grade based payment
- Must nominate malting variety at time of contracting
- Multi-Grade (MG) flexibility reduces seasonal risk of grade variations
- Other terms are as per the fact sheet on 'Forward Contracts'

How does the MG Fixed Feed Contract work?

The MG Fixed Feed Contract gives you the flexibility to deliver malting and feed barley grades onto the same contract. For information on which grades are accepted on the MG Fixed Feed Contract or its availability in your selected port zone, please refer to Glencore Grain's daily bid sheet. The grower can participate in changes to grade spreads.

Grade spreads

At the time of contracting you will secure at least the base Feed 1 price on your contract and identify the alternate unpriced Malt grade(s). Grade spreads for the unpriced malt grade(s) will be set as per the Glencore Grain's bid sheet on the date of the first delivery of any grade against the contract. Acceptance and pricing of any grades not listed on this contract will be at Glencore Grain's discretion.
